Community Event/Project Sponsorship Request Guidelines
St. Peter’s Hospital

St. Peter’s Hospital (SPH) supports community projects and events that relate to the mission, vision, and values of our organization:

**Mission:** St. Peter’s partners with our patients, the community, and medical staff to provide exceptional and compassionate healthcare.

**Vision:** To be the best place in the region to receive patient care, to practice medicine, and to work.

**Values:** Safety, Service, Respect, and Accountability.

St. Peter’s prioritizes the award of sponsorships and donations based on the objectives of the 2016 Community Health Improvement Plan (CHIP). The complete CHIP plan is available for review at www.stpetes.org. Its seven priorities include the following areas:

- Mental Health
- Chronic Disease
- Maternal and Child Health
- Environmental Health and Injury
- Substance Abuse
- Communicable Disease
- Access to Health Care

As a health care organization, sponsorships or donations will generally be made to health care non-profit organizations that have the greatest opportunity for positively affecting the health of the community we serve; and/or those programs that enhance the visibility and awareness of St. Peter’s Hospital.

**Guidelines for Requests**

Budget permitting, requests for funding that fit within the mission, vision, values, strategic plans, and community benefit objectives of St. Peter’s Hospital and provide a *direct health-related benefit* will be given the highest priority for consideration and potential support.

Please note, that posters for community programs, (such as sports teams), are not included in these guidelines. For further details on these sponsorships, please contact Katy Peterson, Director of Public Relations and Marketing.

*Sponsorship requests must be for activities or events that benefit those in our service area.*

**Service Area:** St. Peter’s provides healthcare services to residents of Lewis and Clark, Broadwater, Jefferson, Meagher, and Powell counties. The communities represented in our service area include:

- Avon
- Basin
- Boulder
- Canyon Creek
- Clancy
- East Helena
- Elliston
- Helena
- Jefferson City
- Lincoln
- Marysville
- Radarsburg
- Ringling
- Toston
- Townsend
- White Sulphur Springs
- Winston
- Wolf Creek
Additional considerations for sponsorships include:

- Organizations receiving funds are required to be a 501c3 non-profit.
- Previous history of event sponsorships. Organizations must submit requests each time they wish to be considered. The hospital will not grant annual, automatic contributions to any organization.
- The perceived effectiveness of the organization and the need for the activity relative to other organizations in the community or region.
- The level of support being received by the organization from the area in which it operates and from other sources. Generally, we do not wish to provide the sole funding for an event.
- The funds available to St. Peter’s Hospital.
- Any other factor relevant to the application at hand.

**How to Request a Sponsorship or Donation**

**External Requests**

All those requesting financial, in-kind or contribution sponsorships from SPH must complete the Community Event/Project Sponsorship Application form and submit to St. Peter’s Marketing & Public Relations department. See Notification section for sponsorship review and award timelines. Please submit form at least 3 months before contribution is required.

St. Peter’s Hospital must receive recognition of sponsorship through the approved use of St. Peter’s Hospital logo in advertisements and other materials, such as t-shirts, banners, etc. St. Peter’s Hospital’s name may not be used by organizations that have not been approved in advance.

**Internal Requests**

Internal funding requests will be evaluated using the same process as external funding requests, but must also report their community benefit dollars and hours after the event to SPH PR & Marketing staff.

**Notification of Award Sponsorship**

A message regarding our decision to grant or decline the donation request will be sent in a timely manner, based on the event date. Requests will be reviewed and evaluated on a quarterly basis. Notification regarding donation or sponsorship will be sent to the contact person for the organization on the following schedule:

<table>
<thead>
<tr>
<th>Applications received between:</th>
<th>Will receive notification of sponsorship by:</th>
